PROGRAM DIRECTOR'S MESSAGE

Greetings from Camp Karoondinha!

This summer is bound to be the adventure of a lifetime! Each day consists of advancement opportunities and activities for youth and adults alike.

This year's Cub Scout theme is "The Impossible Mission." Cub Scouts will test their limits in elite crews, navigating a dynamic obstacle course, solving puzzles, and working together to achieve the impossible. This thrilling adventure will foster teamwork, communication, problem-solving, leadership, and lifelong friendships.

During our Scouts BSA weeks, each Scout will have the opportunity to earn at least 4 merit badges with our regular schedule, and additional merit badge opportunities will be offered on Friday and/or during open programming. Evening activities, the OA Call-Out ceremony, and the Cast Iron Chef Competition are a big part of Camp Karoondinha's history. Each evening brings something new for your unit to enjoy. NEW this summer will be the return of a host of activities on Friday afternoon as part of our Campwide Games culminating with our Iron Man competition.

Registration will open soon for the 2025 Summer Resident Camp! If you have any questions about Camp Karoondinha or our summer programs, please feel free to contact us via email at susq.camp.k@gmail.com or the Susquehanna Council Service Center at 570.326.5121. We look forward to seeing you and your Scouts on the trails of Camp Karoondinha this summer!

Yours in Scouting,

Amanda Lebo

FINANCIAL ASSISTANCE/CAMPERSHIPS

We believe that every Scout should have the opportunity to attend summer camp! The Susquehanna Council provides partial, need-based camperships to ensure that all youth have the opportunity to attend resident camp.

The campership application is designed to be completed by the Scout's family and is available at www.susquehannabsa.org/camping. Please submit applications no later than March 10, 2025 so that the campership committee can review all applications and provide timely award information to families and units prior to the payment deadline.

ADULT FEES

It is the policy of Scouting America that a minimum of two register leaders provide supervision for each unit and that there be at least one adult for every eight scouts. Units attending camp with more than 12 Scouts should have at least three adult leaders. To encourage the attendance of adult leaders at camp and to keep the cost as low as possible for the Scouts, adult leaders are not charged a camp fee but are charged a portion of the cost for meals at the rates listed below:

- Cub Scout Leaders \$115
- Webelos/Arrow of Light Leaders \$150
- Scouts BSA/Venturing/Sea Scouts \$165
- Leader Daily Rate \$42

PROVISIONAL CAMPING

A Scout who is unable to go to camp with their own unit, or who wishes to go to camp for a second week without their unit, is welcome to attend as a provisional camper. Typically, provisional campers are placed with carefully selected existing units and function as a member of that unit for the week. In some cases, a larger number of provisional campers will be formed into a separate unit, with qualified leadership provided by the camp staff. The fee for a provisional camper is the same as the regular camp fee, though a camper who returns for an additional week of camp as a provisional Scout would benefit from the second week discounted rate.

SECOND WEEK DISCOUNTED WEEK

Are you a Scouts BSA Scout and can't get enough camp? We have great news for you! A Scout is eligible for a \$50 discount to attend a second week at Camp Karoondinha if he or she has already paid for one week of resident camp at Camp K in the same year.

FUNDRAISING

Scouts are encouraged to “earn their own way” to camp by participating in various fundraisers throughout the year. Units are encouraged to help the Scouts by participating in fundraising opportunities (such as popcorn or candy bar sales) to help defray the cost of camp for their members. To help with this, the Susquehanna Council offers options to units and families who are looking to raise money for camp. Speak to your District Executive for more information.

2025 THEME: THE IMPOSSIBLE MISSION

Join us this summer for an extraordinary adventure! "The Impossible Mission" will push Cub Scouts to their limits, testing their teamwork and communication skills like never before.

Divided into elite "crews," Scouts will embark on a series of challenging missions. Our camp will transform into a dynamic obstacle course, with hidden trails leading to unexpected challenges. Together, they'll navigate obstacles, solve puzzles, and work together to achieve the impossible.

Through this thrilling experience, young Scouts will develop valuable life skills, including problem-solving, leadership, and perseverance. The bonds forged during this adventure will create lasting memories and friendships.

Our Program Design

Cub Scouting is best enjoyed at the den level, where Scouts can participate in activities with others that are their own age and rank. Because of this, we divide the Cub Scouts into different dens based on their rank. **When registering, please make sure your Scout's rank is indicated on the form as the rank that they will be going into during the upcoming school year.** For example, a 2nd grader just earned their Wolf rank and would be going into 3rd grade next year would register for camp as a Bear.

The Impossible Mission Theme

This year's Cub Scout theme promises an adventure unlike any other. Scouts will be tasked with completing various missions as they discover a whole new world within Camp Karoondinha of hidden challenges and opportunities for teamwork. Let's embark on this thrilling journey together and see what surprises await us!

Cub Scout Advancement

Cub Scouts will have the opportunity to earn advancements while at camp this summer! In addition to covering requirements for various rank adventures, Scouts have the opportunity to earn requirements towards their rank appropriate Summertime Fun Adventure, Swimming and Boating electives, as well as Range and Target Sports elective Adventures for Archery, BB Gun, and Slingshot. Resident camp is one of the limited opportunities for Cub Scouts to earn these Adventures, so you won't want to miss out! A list of all advancements covered will be provided to each unit at camp.

Trail to Eagle

The Trail to Eagle program is designed for Scouts who are relatively new to the Scouts BSA program and have not yet completed many of the rank requirements for Tenderfoot through First Class. Each interested Scout should sign up for either the week-long morning session or the afternoon session.

Note: We are planning to utilize a combination of a daily schedule and block scheduling this summer at camp.

SPOTLIGHT ON ADDITIONAL PROGRAMS

One of the biggest things that the volunteers and staff of Camp Karoondinha focus on each year is the improvement of optional features at camp. Our camp is constantly evolving and updating to ensure that we are meeting the needs of today's Scouts and their families. Check out some highlights of different activities you have to look forward this year!

Advanced Archery

Are you a top-notch archer? Find out this summer at the archery range. Advanced Archery allows you to use your archery skills to practice on new and more challenging targets. This is a way for Scouts to move to the next level with their archery skills.

Scouting America Mile Swim Award

Test your swimming skills by going the extra mile with the Mile Swim. This challenging event will test and enhance your swimming skills. Make it a goal for camp this summer. The Scouting America Mile Swim is held each week during Scouts BSA Camp.

Scouting America Safe Swim Defense

Camp K offers Safe Swim Defense training at the start of each camp session. This will help you have a fun time on the water while being safe and responsible. Safe Swim Defense is designed to alert swimmers of potential dangers to look out for when on the water. Safe Swim Defense is held on arrival day before opening campfire.

Scouting America Stand Up Paddleboard Award

Did you ever want to walk on Lake Faylor? Paddleboarding is the next best thing. The Scouting America Stand Up Paddleboarding award introduces Scouts to the basics of stand up paddleboarding (SUP) on calm water, including skills, equipment, self-rescue, and safety precautions. This award also encourages Scouts to develop paddling skills that promote fitness and safe aquatics recreation.

Camp Honor Unit Award

During your units stay at camp, your unit will be given the opportunity to complete a list of tasks throughout the week. This form will be included in the 2025 Leaders Guide. As part of earning this award, units are asked to volunteer to clean bathrooms or a shower house at least once during the week, participate in an inter-unit activity, and initiate a campsite improvement project such as trail maintenance or a conservation project.

Campwide Games - NEW IN 2025

On Friday afternoons during Scouts BSA, Scouts will have the opportunity to show off their teamwork and Scout Spirit as they race around camp participating in games, challenges, and tests of Scout skills. Each station tests a unique set of skills, so be sure to brush up ahead of time.

Clean Sweep Award

A Scout is Clean and Helpful. We ask that each unit help keep Camp Karoondinha clean by keeping their campsite clean. Duties may include fire duties, trash pickup, checking tent flaps, cleaning the campsite latrine, etc. The SPL will verify that all duties have been performed in a timely and correct manner. Mid-morning, the Camp Commissioner will make their rounds to verify units are living up to the ideals of the Scout Law. At the end of the week, the top three campsites will be presented with the Clean Sweep Award.

Ironman Competition

Are you ready to push your limits and test your endurance? Our Ironman Competition is a grueling triathlon that combines running, swimming, and kayaking into one epic event. Individuals and teams alike compete in this challenging race, showcasing their strength, stamina, and determination.

Knotmaster Program

Specific details of the Knotmaster Program will be provided in the 2025 Scouts BSA Leaders Guide. Those that began their journey in 2024 can continue in 2025! The purpose of the Knotmaster Program is to encourage Scouts to learn the uses, classifications and, of course, how to tie knots commonly used in Scouting. This program is designed to be a multi-year program, one that Scouts will want to return to camp for year after year!

Lashed Log Raft Regatta/Cardboard Boat Regatta

The Cardboard Boat Regatta will be returning for Cubs Resident Camp in 2025! For Scouts BSA, a twist on last year's Cardboard Boat Regatta is the Lashed Log Raft Regatta! Can you design and build a boat from logs and lashings that will outlast and outpace the competition? Put your skills to the test! Official rules will be communicated in the 2025 Leaders Guide. There will be many awards handed out for this event, including boat or raft speed, boat or raft design, and a few other specialty awards. Guaranteed fun for all!

SUSQUEHANNA COUNCIL, SCOUTING AMERICA

Muzzleloader

Camp Karoondinha is proud to offer this UNIQUE older Scouts program to Scouts who have earned or are at least 14 years old and are taking one of the shooting merit badges. Scouts learn about muzzleloading rifles, their history, and safe shooting techniques. Adult leaders may also join this class, space permitting, by seeing the Range Activities Director before the evening program.

Older Scout Program

Few factors are as important to the continued success of a unit as the active participation of older Scouts. These are the veteran Scouts who have “been there, done that” and offer a wealth of experience to guide recent crossovers and serve as an inspiration to younger Scouts. In order to maintain the interest of these older Scouts, however, the program must offer something for them as well. At this time, we are in the planning phase to determine what programs to offer our older Scouts. Look for more information to come in the 2025 Scouts BSA Leaders Guide!

Paul Bunyan Woodsman Award

Have you ever wondered what it was like to live like Paul Bunyan in the American Frontier? The Paul Bunyan Woodsman Award will be offered this year at the Scoutcraft Area! Think of it like an Advanced Totin’ Chip program. Participants will get hands-on experience learning how to use various woods tools and will spend time working on a conservation project at camp. Participants must arrive to camp having earned the Totin’ Chip and should bring a long sleeve shirt and pants (such as work jeans and shoes).

Polar Bear Swim

Attention early risers! The Polar Bear swim is held in each camp, beginning with calisthenics followed by a quick dip in the pool. Be sure to bring a towel and warm clothes for after the swim. It’s not called Polar Bear for nothing! We hope to see you there.

Evening Program Events

Although a list of prospective activities is not yet completed, some examples looking to be included are: evening swims, sports competitions, open merit badge time, open ranges, and SPL led activities. These times will run from 7pm to 9pm. Details on twilight activities will be announced daily.

CIT Program

The Camp Karoondinha Counselor-In-Training program is for Scouts, venturers, and/or sea Scouts who are ready to take the next step in leadership by learning how to counsel other Scouts in a fun, outdoor environment. Participants must be 14 years old before the start of camp and Scouts must have earned at least First Class rank (if enrolled in the Scouts BSA program).

The CIT program allows half the day for the Scout's own advancement and half the day for training, observing, and developing instructional techniques under careful guidance. CITs are exposed to as many program areas as possible, and some camp support areas as well. Each CIT is paired with a staff member mentor who will serve as a guide and resource throughout the experience. CITs are encouraged to stay with their unit when the unit is in camp so that their leadership is available to the unit while at summer camp.

Staff

One of the ultimate Scouting experiences: Summer Resident Camp Staff. Open to young men and women age 15 and over, resident camp staff is where bonds are made that last a lifetime. Staff members are paid to share their knowledge, skills, and years of Scouting experience with a new generation. Staff positions are available for older youth and adults in every program and support area. For more information, contact the Camp Director at susq.camp.k@gmail.com.

FEATURES FOR UNIT LEADERS

FREE COFFEE!!!

It is no secret that caffeine keeps our unit leaders going during their week-long stay at camp! For your convenience, coffee and tea are available in the dining hall every morning beginning at 7:00 AM and throughout the day. Stop by and fill up your cup to keep up with those Scouts all day long!

Unit Leader Meetings

Daily, there will be a meeting for unit leaders directly following breakfast. At least one leader from every unit is expected to attend an informal meeting with the Camp Director, Program Director, and Commissioner. This is where leaders get to share their views on the camp and program. This meeting will take place at the Lakefront Pavilion.

Unit Leader Cookoff

This is a competition between all unit leaders during Scouts BSA sessions. We want to see how creative you can be! All ingredients will be supplied by the person doing the cooking. Unit leaders are asked to have their dishes prepared by 8:00 PM on Thursday Night. The location of the event will be announced at camp. Judging will be based upon originality, presentation, and overall taste.

Unit Leader Achievement Award

The Camp Karoondinha Unit Leader Achievement Award, a.k.a. Scoutmaster Merit Badge, recognizes the tremendous contribution adult leaders make to the camp and the Scouts in attendance. To qualify for the award, an adult leader will complete a variety of tasks during their week-long stay at camp. These tasks may include things like general upkeep around camp, assisting in program areas and/or the kitchen, and more!

Unit Leader Shoot

If shooting skills are your strong point, then this is for you. The day(s) and time(s) will be announced by the Range Activities Director at camp. Come out and show off your skills to your fellow unit leaders.

Unit Leader Trainings

Look for a survey mid-winter looking for input for leader trainings you may want to see offered at camp this summer!

YOUTH PROTECTION PROTOCOLS

National YPT Guidelines

Ensuring a safe and welcoming experience for all youth at camp is our number one responsibility. To ensure the safety of all guests at camp, units are expected to work with the camp administration to ensure compliance with all Scouting America Youth Protection Policies.

Two registered adult leaders at least 21 years of age are required at all Scouting activities, including all meetings. There must be a registered female adult leader at least 21 years of age in every unit serving females. A registered female adult leader at least 21 years must be present for any activity involving female youth or female adult program participants. Notwithstanding the minimum leader requirements, age and program-appropriate supervision must always be provided.

All adults staying overnight in connection with a Scouting activity must be currently registered in an adult fee required position as listed or as an adult program participant. Limited exception below for Cub Scouts overnight Programs.

Cub Scouts Programs – Overnight Exception:

Cub Scout parents or legal guardians taking part in an overnight Cub Scouts program with their own child or legal ward are not required to register as leaders. All adults must review the “How to Protect your Children from Child Abuse: A Parent’s Guide” that can be found in the front of each Cub Scouts Handbook. In addition, the parent or legal guardian must be accompanied by a registered leader at any time they are with youth members other than their own child/ward. All other overnight adults must be currently registered in an adult fee required position.

Adult Registration Requirements

All adults (age 18+) accompanying Scouts to resident camp must:

- Have current certification in Scouting America Youth Protection training, and
- Have all three PA Act 15 Clearances (dated within the last five years)
- Be registered with the Scouting America prior to camp.

This applies to any adults (age 18+) who are staying overnight and any adults who may not be staying overnight but are considered part of the unit’s supervision ratio.

The policies above do not apply to short term visitors, such as a parent attending family campfire or the OA Call-Out Ceremony.

PA Act 15 Clearances

In 2014, the Commonwealth of Pennsylvania enacted 23 pieces of legislation, changing how Pennsylvania responds to child abuse. These changes significantly impacted the reporting, investigation, assessment, prosecution and judicial handling of child abuse and neglect cases. This legislation has had a direct impact on the paid employees and volunteers of the Scouting America, and requires that prospective employees and volunteers obtain criminal background checks and child abuse clearances. Further, this legislation also specifies that all volunteers and employees are now "mandatory reporters" of child abuse.

Any adult volunteer who is registered in the Scouting America and/or is spending time at resident camp as a leader for their unit must submit copies of their Pennsylvania Clearances to the Susquehanna Council prior to, or immediately upon arrival to camp.

This does not apply to family night guests.

The following are required for attending camp:

- Report of Criminal History from the Pennsylvania State Police (PSP), cost – free, takes 10-15 minutes: <https://epatch.state.pa.us/Home.jsp>
- Child Abuse History Clearance from the Department of Human Services, cost – free, takes 20-30 minutes: www.compass.state.pa.us/cwis/public/home
- Fingerprint based FBI criminal history clearance submitted through the Department of Human Services, approximate cost – \$23.25, takes 5-10 minutes online and 10-15 minutes at the fingerprinting location:
www.identogo.com/locations/pennsylvania
 - Enter Service Code 1KG6ZJ

Volunteers who have resided in the Commonwealth of Pennsylvania continuously for the past 10 years can submit a Disclosure Statement for Volunteers in lieu of the fingerprint-based FBI Clearance. You can download it at Susquehanna Council Forms - Susquehanna Council (susquehannabsa.org).

- If someone is at immediate risk of harm, always call 911.

ENJOYING YOUR STAY AT CAMP K

Accommodations: Each campsite is equipped with 2-person platform wall tents with cots. Some sites also feature a small number of 4-person Adirondack lean-tos. Each site features a latrine with running water, picnic tables, dining flies, a flagpole, and a bulletin board. Select sites also have electrical access for those with medical needs, and we will do our best to accommodate those requests.

Youth Protection: Units are required to follow all Scouting America Youth Protection Policies, including separate accommodations for unmarried males and females and youth accommodations that do not place together Scouts of different genders or those more than two years apart in age. No youth may stay in a tent or Adirondack lean-to with an adult, other than a Cub Scout with his or her parent or guardian.

Trash: For your convenience, Camp K offers regular trash pick-up at each campsite. Please place trash outside the site along the road in the provided trash barrel and our staff will pick it up for you.

Commissioner Service: A valuable resource for any unit at camp is the friendly Commissioner. Camp K's Commissioners are veteran Scouters who are there to assist your unit and to help you take full advantage of all that Camp K has to offer. Commissioners will also conduct a daily campsite visitation and keep score for the Clean Sweep Award (during Scouts BSA weeks), to be presented at the closing campfire.

Stoves and Lanterns: Liquid fuel stoves and lanterns may only be used by adults in a safe manner. Propane stoves may be used in open areas. Liquid fuel **MUST** be stored in approved containers and kept in appropriate storage areas. **No open flames in tents!**

Personal Vehicles: Personal vehicles may not be used on camp roads beyond the parking lot without permission from the Camp Director or his designee. All drivers must be licensed and 21 years of age or older.

For safety reasons, and to prevent wear and tear, vehicles are not permitted in campsites at any time. Authorized vehicles and trailers **MUST** be kept parked in the driveway outside of the campsite. Each unit is permitted one trailer **OR** vehicle (if the unit doesn't have a trailer) to be parked outside of their campsite as a way to secure food and other smellables. The posted speed limit of 10 MPH with 4-way flashers must be followed, and at no time are riders permitted in the cargo areas of trucks and SUVs or on attached trailers.

Cell Phones: While the camp does not prohibit the use of cell phones by Scouts, we do support units that adopt such a policy while at camp. The use of cell phones and other electronic devices can distract a Scout from the numerous outdoor programs available at camp. The use of cell phones by Scouts may also encourage homesickness and allows a Scout to circumvent the responsible unit and camp leadership when upset or in need of assistance.

CAMP SERVICES

Showers: Camp K offers two shower houses for your convenience. These shower houses include individual lockable room facilities for showers and for flush toilet restrooms.

Laundry: A washer and dryer are available for use in a room off the side of the Dining Hall.

Trading Post: The Trading Post is the spot to purchase snacks, souvenirs, and camp apparel. Also available are toiletries and other items that may have been left at home.

Quartermaster: The Quartermaster maintains a supply of equipment available to be checked out for cooking, cutting wood, and camp improvement projects. Also available are toilet paper and latrine cleaning supplies.

Lost and Found: The camp lost and found is located in the Trading Post.

HEALTH LODGE: Qualified medical staffing is provided by Camp K. All injuries and illnesses in camp must be reported to the medical officer. Failure to do so may invalidate insurance claims. A doctor is on-call and emergency medical care is provided by West End Ambulance and Evangelical Hospital in Lewisburg.

Religious Services: An interfaith “Scouts’ Own” chapel service is conducted on Sunday evening (Cub Scouts) or Tuesday evening (Scouts BSA) after dinner. No other program in camp is offered at that time.

WIFI: Free wireless internet service is available in the Dining Hall and extended to the Trading Post for use by Adult Leaders and staff. The password may be obtained from the camp administration and is not to be shared with campers to avoid overtaxing the system.

Unit Photos: Unit photos are taken at the beginning of each week at camp. Every Scouts and Leader will have the opportunity to purchase a printed 8” x 10” photo for \$10.

Mail Delivery: USPS mail deliveries are received Monday through Saturday. Mail will be delivered to Scouts and leaders during meal times or delivered to the unit leader to disperse to Scouts at their convenience.

FOOD SERVICE

Fogarty Dining Hall

Camp Karoondinha is pleased to provide a high-quality dining experience at the Fogarty Dining Hall. Dining Hall meals provide a range of tasty and nutritious options. A breakfast or salad bar is available at each meal as well as alternative/ additional meal options.

Camp Karoondinha strives to meet the needs of all its participants. In this spirit, we ask that any specific dietary needs are identified prior to participation in camp. More information on communicating dietary needs will be communicated in 2025.

A Field Uniform shirt (sometimes called a “Class A”) is the appropriate dress for breakfast and dinner in the dining hall. Program activities at meals will be led by the dining hall steward and staff.

Dining Hall Meal Times

Breakfast	8:00 AM
Lunch	12:30 PM
Dinner	6:00 PM

Cooking in the Campsite

Many units will choose to prepare some meals in their campsite throughout the week. Camp K is supportive of this opportunity for your unit to learn and grow together. If this is something that your unit wishes to do, please be sure to plan accordingly to bring the supplies you may need, including appropriate containers to properly store perishable and non-perishable items. Camp K does not provide any food items to units for preparation in their campsites. Units must comply with the council’s Policy on Meals During Resident Camp.

Visitor Meals

All visitors are required to sign in at the Camp Office upon arrival to camp. Visitors who wish to join the Scouts for a meal in the Dining Hall may purchase a meal ticket at the Trading Post if space is available in the dining hall. When possible, unit leaders are encouraged to advise the Camp Director or head chef ahead of time when guests are expected so that food prep may be adjusted.

Visitor Meal Prices

Breakfast	\$14.00
Lunch	\$16.00
Dinner	\$18.00

HEALTH & SAFETY INFORMATION

The health and safety of all visitors to Camp Karoondinha is always a top priority. The camp is staffed with a medical officer on-site at all times. To ensure the best quality of care for all Scouts, leaders, and visitors, all illnesses and injuries must be brought to the attention of the Health Officer as soon as detected. If further medical attention is warranted, emergency care will be provided by the West End Ambulance Company and Evangelical Community Hospital.

Privacy of Medical Information

All medical information provided to Camp Karoondinha will be guarded with respect to the privacy of the individual. All medical documents are locked in the Health Lodge for the Health Officer's reference and returned directly to the unit leader at the end of the week. Relevant medical information will be shared with responsible staff only when necessary and in conjunction with the parent's wishes.

Scouting America Health and Medical Records

All campers and adult leaders are required to provide a completed copy of Scouting America Health and Medical Record (latest version available at www.scouting.org). Part C, which requires a record of a physical exam within the last year, is required of all campers and adults.

Per the PA Health Department requirements, a complete record of immunization dates must be provided on or with the medical form. A notation of "up to date" is not acceptable. No buddy tag may be provided without immunization dates, so failure to complete this information will lead to a Scout's delayed participation in aquatic activities, including the swim check.

Medications in Camp

All Scouts bringing medication to camp must have the medications section of the Annual Health and Medical Form filled out by their parents or guardians prior to arrival at camp. When they check in with the Health Officer, any specific storage requirements for medications will need to be disclosed. A locked refrigerator is available if needed. All medication must be in its original container with the original label. There should be no hand written changes to labels. All medication must be current, expired medication will not be released to Scouts. All medication must be stored and dispensed through the Health Officer or the Scout's unit leader; the only exceptions are Epi-pens, inhalers, and other life-dependent emergency medicine. The Health Officer will identify and coordinate with the unit leader the medications to be stored and dispensed through the unit. Use of non-prescription and/or over the counter medication should also be disclosed to the Health Officer. Camp is not the appropriate time to stop taking prescribed medications.

The Health Officer is not expected to make individual visits to ensure that each Scouts is taking their medication. It is the unit leader's responsibility to ensure that Scouts are taking medications. Our medical staff does not administer medication, they only identify and store selected medications. It is the Scouts responsibility to administer proper doses at the proper time. There will be no injections given by the Camp Karoondinha Staff.

Medical Re-check

In order to help expedite the medical re-check process as much as possible upon arrival to camp, please follow these guidelines:

- Unit leader collects and reviews all participant medical forms several weeks before camp.
- Ensure that all forms are complete, including immunization dates, parent's signature, and physician's signature confirming completion of physical exam within one year.
- Do NOT bring medical forms to camp in a binder with plastic sleeves. Keep all forms loose.
- Upon arriving at camp, make sure that all medical forms and medications are brought with you to medical re-check.

Ticks

Each year we hear more and more about the ever-increasing tick population. Lyme disease is at an all-time high in Pennsylvania. To protect yourself, insect and tick repellent are highly recommended, and will also help prevent diseases from mosquitoes and other insects. However, repellents are not totally foolproof, especially against ticks. Wearing long pants, long sleeved shirts and hats while in tick infested areas cuts down on the risk of bites. Educate your campers about ticks, and have them check themselves on a regular basis, especially after walking through tick habitats. If a tick is found attached to the body, report it to the Health Officer who will remove it and preserve it in case a Lyme disease rash develops.

Susquehanna Council Accident/Insurance Policy

The Susquehanna Council, Scouting America carries a limited accident/sickness policy on all Scouts while in camp. It is the responsibility of unit leaders to process all charges for medical expenses through the unit's insurance policy.

Camp K and the Susquehanna Council are not responsible for pre-existing health conditions and any related prescriptions. Scouts and Scouters are expected to follow their primary care provider's or pharmacist's directions printed on any medicine container.

TRADITIONS AT CAMP K

If you are a new leader within your unit or a unit visiting our camp for the first time, we hope that you find this list of camp traditions helpful! Some of these traditions may be ones that you've seen at other camps, or they may be ones that you are seeing here for the first time. However, these traditions are what we've come to love about Camp Karoondinha.

As a unit who is visiting us for the first time, or if you are a unit who has visited other camps across Pennsylvania and America, your feedback is of the utmost importance! If you see something that we do differently here at Camp Karoondinha that you haven't seen at other camps before, please let us know so that we may add it to the list for future years.

Camp Karoondinha

- Karoondinha was the Native American name for Penns Creek.
- Many affectionately refer to the camp as "Camp K" for short.

Dining Hall

- Field Uniform shirts (or "Class A's") are worn during breakfast and dinner.
- Please do not wear hats in the Dining Hall. This includes official Scouting America hats.
- When praying over meals, we place our hands on our heads for prayer. (This keeps little hands from playing with silverware on the tables during prayer.)
- Song time will sometimes happen before meals on the parade field or in the dining hall after meals, depending on the weather.
- From time-to-time meetings will be announced during meals:
 - "At the tree" refers to the red oak in front of the dining hall.
 - "At the rock" refers to the large rock along the lake's bank.

Camp K Meal Prayer

Mighty Scoutmaster,
Make our bodies strong,
Our minds sharp,
And our hearts open.

Bless this food and the hands that prepared it.
Bless this day and the time we have together.
And bless Karoondinha, our home forever.

Amen.

Parade Field

- Field Uniform shirts (sometimes called Class A's) are worn for morning and evening flag ceremonies.
- While flags are being flown (between breakfast and dinner), we ask that you DO NOT walk across the parade field.
- During morning, afternoon, and evening assembly, staff will greet campers with a resounding "Good morning," "Good afternoon," or "Good evening." Campers return the same greeting back to the staff.

Thunderbird

- We ask that as you enter our campfire area, Thunderbird, you remain solemn and quiet.
- For those that may be physically challenged, you may choose to enter through the main road to Thunderbird and rejoin your unit after they walk the path of the Scout Law. The hill entering Thunderbird from the path is steep.
- We end each campfire with the Camp K song and Scout Vespers.
- As you leave Thunderbird, we ask that you exit as quietly as possible.

Camp K Song

Down along a stream called Penns Creek,
There's a place for me.
Camp Karoondinha, I love thee,
Pledge my loyalty.

To the Scout Oath and the Scout Law,
True I'll always be.
Camp Karoondinha, I love thee,
Pledge my loyalty.

Scout Vespers

Softly falls the light of day,
While our campfire fades away.
Silently each Scout should ask,
"Have I done my daily task?"

Have I kept my honor bright,
Can I guiltless sleep tonight?
Have I done and have I dared,
Everything to be prepared?"

Other

- During Chapel service, a collection is taken for the World Friendship Fund.
- On Wednesdays, Order of the Arrow (OA) members are encouraged to wear OA shirts. During evening flags and dinner on Wednesday, OA members are asked to wear their sashes.
- On Wednesday nights during Scouts BSA weeks, our OA Call-Out Ceremony is held. OA members attending camp are encouraged to participate in the ceremony, and visitors are encouraged to bring a chair or blanket to sit on as there are no benches. Out-of-council units are invited to attend and watch the ceremony.

When possible, we suggest written permission for dismissal be collected ahead of camp using the form provided available at www.susquehannabsa.org and held by the unit leader until needed.

No Pets: For the safety of our campers and staff, pets are not permitted in camp. A midweek visit from a beloved pet may also contribute to homesickness among our younger campers. Please notify parents and visitors of this policy.

Quiet Time: Leaders should verify that everyone is in the campsite nightly by 10:00 PM. Please be courteous to other units in your area and keep evening noise levels down. Notify the camp administration immediately if anyone is unaccounted for.

INFORMATION FOR PARENTS & GUESTS

(A handy one-page guide to reproduce locally and distribute to parents.)

For the safety of all Scouts and visitors, pets are not permitted in camp, whether leashed or not. Vehicles must remain in the parking lot.

Parent and Guest Meals: Visitors are welcome to stay for meals if space and adequate food is available. The cost for breakfast is \$14.00, lunch is \$16.00, or dinner at camp is \$18.00. These charges help cover our food cost, and help to keep the price of summer camp low for Scouts. Meal tickets for visitors are required and should be purchased at the Trading Post prior to meals. You may purchase an all-day meal pass for \$38.00.

Camperships: Limited camperships are available for those Scouts who need financial assistance to attend at Camp K. Campership applications are available online at www.susquehannabsa.org and in person at the Williamsport Service Center. Please submit campership applications as soon as possible, but no later than March 10, 2025.

Mail: Incoming mail will be given out from the office to unit leaders for distribution to the Scouts. Scouts enjoy receiving mail from home. To help reduce homesickness, it is important for parents to refrain from comments such as "We miss you very much," "it's lonely without you," etc. This is especially true for our first-year campers. Mail to camp should be sent at least three days in advance to ensure that it arrives while the Scouts is still at camp.
