Cub Scouts

- **Cub Scout Program – new program reminders.**
Attention Cub Scout leaders and parents.

The new Cub Scout program is up and running!

Please remember to check all adventure requirements at each den level, as many requirements have changed with the new program. For example, each den now earns the Bobcat adventure every year, and the requirements vary depending on den level. Once your Cub Scouts have earned adventures, take the time to enter their hard work into Scout Book (even partial adventures).

Remember that adventures should be awarded frequently to keep Cub Scouts motivated to continue to work toward additional adventures.

The most current information on the program can be obtained by going to the Cub Scout page on this site [{link}](#).

This is the BSA's official website with the archive information on the program updates [{link}](#).

Scouts BSA

➤ **Recognition Dinner – March 23**

The council will conduct its annual recognition dinner on Sunday, March 23, 2025, at the Silvermoon Banquet Hall. The dinner is the opportunity to recognize and honor all 37 Scouts in the council that earned the rank of Eagle in 2024 and the contributions and accomplishments of adult leaders in the council with the presentation of adult awards.

We encourage every Scout in the Eagle class of 2024 and their family and friends to come and celebrate their accomplishment. We also encourage adult leaders from throughout the council to come honor and celebrate the achievements of fellow adult leaders.

Some of the awards being presented to adults are the Silver Beaver Award, Harris Camper Award, Alumnus of the Year, and Duty to God Awards.

This year our guest speaker will be Rose Anna Moore from the History Channel series "Alone". Menu includes stuffed chicken breast, pot roast au jus, penne marinara and salad with assorted dressings.

Registration for the event is now open on the council's website.

➤ **Requirements prior to meeting with a merit badge counselor.** ***Attention Scouts and unit leaders.***

In order to address concerns expressed by a number of unit leaders, the Council Advancement Committee has developed and approved a policy that requires Scouts to meet with a unit leader before contacting a MB counselor to begin the completion of requirements or registering for an on-line MB opportunity. The policy formalizes a longstanding expectation in the Guide to Advancement that each Scout first meet with the unit leader before pursuing completion of a merit badge. The purpose for establishment of the requirement is twofold:

1. To verify for each MB if the counselor is registered in Scouts BSA and is approved as a counselor for that MB (by any council).
2. Provide an opportunity for the unit leader to review with the Scout whether the offering provides an acceptable opportunity to learn and complete the requirements as written for the MB, if the Scout is considering an on-line offering.

The complete version of the policy, including procedures to follow and some additional guidance, can be obtained by going to the “Advancement Resources” page on the council’s website {[link](#)}. The policy is in Section 3.4.

➤ **Applying to serve as a merit badge counselor – very important to provide qualifications for each merit badge.**

“In order for a request to be complete, the merit badge counselor must provide a list of qualifications for each merit badge for which the counselor requests approval. The list must provide specific information that demonstrates the individual’s qualifications in the subject of the merit badge, such as training or education completed, certifications received, and experience (work or personal activity). The counselor should use as much space as necessary to provide their qualifications (such as using additional lines on the form or attach an extra page). The counselor must provide copies of appropriate certificates with the Information form.” {Extracted from 3.1.1.f., Susquehanna Council Advancement Policies and Procedures}

Providing specific qualifications for each merit badge to serve as a counselor is essential to the approval process and will greatly contribute to a more rapid review and approval.
