Criteria for award

Any registered adult leader in the Susquehanna Council is eligible to receive the Council Certificate of Merit if the individual is currently registered and distinguishes themselves by sustained service or a specific achievement using the stated criteria.

1. Sustained service which merits the award must:
 - a. Be a specific type of service that reflects a commitment to the Scouting program and has been sustained over a period of time;
 - b. Have contributed to the Scouting program in a unit, a district, or the council; and
 - c. Clearly exceeds that which is normally required or expected, considering the individual's registered position in the council.

Examples:

The Scouter has served in a significant leadership position at the troop, district, or council level for several years (at least three) and meets all the criteria [leadership positions such as scoutmaster, troop committee chair, district committee chair, council committee chair, or officer of the council].

The Scouter has consistently served in a position at the troop, district, or council level for an extended period of time (at least five years) and meets all the criteria.
